EDUCATION

Techno India University

2021-Present

- Bachelor of Technology - Computer Science Engineering (Specialization in Artificial Intelligence)
- CGPA 8.2 (Till 4th semester)

Tarasundari Balika Vidyabhaban, Howrah, West Bengal

- **Class XII**- CGPA 9.16 - Science
- **Class X**- CGPA 9.47

2012-2021

SKILLS

- Programming (Python, Java, C++,C)
- Database Management System
- Data Structure and Algorithm
- Algorithm Analysis
- Problem Solving
- Software Engineering
- Front-End Development
- Object Oriented Programming
- Operating System

PROJECTS

Bank Management System | Core Java, MySQL, Java Swing

- **User-Focused Features:** Introduced account creation, transaction history, and balance inquiry functionalities.
- **Technology Used:** Leveraged Java Swing for the frontend, creating an intuitive and responsive user interface that enhances user experience. Utilized MySQL Workbench to design and manage the backend database, ensuring efficient data storage and retrieval.

Tic Tac Toe Game | C++

- Created an interactive Tic Tac Toe game using C++, demonstrating proficiency in object-oriented programming and game development.

Currency Converter | Java, Core Java, Java GUI

- Used Swing for a basic GUI that facilitates currency conversion.
- incorporates fixed exchange rates and allows users to input an amount, select currencies, and view the converted result.

Student Grade Calculator | Python

- Developed a student grade calculator using Python for CodSoft, showcasing proficiency in programming logic, data manipulation, and software development.

Personal Portfolio | HTML, CSS, Javascript

- Developed a captivating personal portfolio website with HTML, CSS, and JavaScript, showcasing my proficiency in front-end web development and creative design skills, enhancing the online presence and presenting a visually engaging representation of my work.

INTERNSHIPS

CodSoft

Java Developer

Aug, 2023 - Sept, 2023

- Executed assignments with the use of web applications and programming languages.
- Created a basic ATM interface With 70% efficiency, featuring PIN entry, withdrawal, and deposit functionalities.

Oasis Infobyte

Java Intern

Sept, 2023 - Oct, 2023

- Oversee and maintain core Java services and programs
- Write well-designed and efficient code by using the best software development practices

OTHERS

- Tools: Linux, GitHub, VS code, Microsoft SQL Server, IntelliJ IDEA, MySQL Workbench
- Soft Skills: Communication, Teamwork, Critical Thinking, Creativity
